Red fire

MP H P

Did it occur to me that  
 it might be appropriate  
 to conclude my remarks  
 with a little pray

That would be  
 the unfinished agenda

All of the  
 confront

Create  
 that we are  
 if we hope to

the Burger King

Dear Lord we pray for  
children

endless

who we had and pampered

whose rooms are filled with  
toys

who spend all their  
allowance before Tuesday

and who scream into  
the phone

"Dear Lord we pray for children who want to be carried  
• and we pray for those who must be carried.

"We pray, for those we never give up on

- and also for those who never get a second chance.

"We pray for those we smother with love,

- and, we pray especially, for those who will grab the hand of anybody kind enough to hold it."

It is my deepest hope that as we move toward the year 2000,

- our top priority will be
- to create a better world for our children—

- especially those who are least advantaged.
